Brinks Home Security™ Announces Plans to File Form 15 and Deregister

Dallas-Fort Worth, TX – January 25, 2021 – Monitronics International, Inc. and its subsidiaries (doing business as Brinks Home Security™), (“Brinks Home Security” or the “Company”) (OTC: SCTY), a home security and alarm monitoring company, today announced that it intends to voluntarily deregister its common stock under the Securities Exchange Act of 1934. The Company intends to file post-effective amendments to its outstanding registration statements on Form S-3 and S-8 to deregister unsold securities thereunder, with the U.S. Securities and Exchange Commission (the “SEC”) no earlier than February 1, 2021. Immediately upon effectiveness of such amendments, the Company intends to file a Form 15 with the SEC. As a result, the Company’s obligation to file current and periodic reports under the Exchange Act will be automatically suspended in accordance with applicable SEC rules.

The Company is deregistering because it believes that its public company reporting requirements do not provide a discernable benefit to the Company and is not in the best long-term interest of its shareholders. Following the delisting, the Company anticipates that its common stock will be quoted on the OTC Pink Open Market (the “Pink Sheets”), a centralized electronic quotation service for over-the-counter securities, so long as market makers demonstrate an interest in trading in the Company’s common stock. However, the Company can give no assurance that trading in its common stock will continue on the Pink Sheets or any other securities exchange or quotation medium.
